**Deanne Swain, Media, D. Swain Design**

**David Shaw, Principal, Skyline Academy**

**Trisha Scott, Coalition Coordinator**

**Notes:**

The work plan for this grant cycle is to promote and complete 6 quit classes, including one class in a behavioral health setting, and to promote all county bar/restaurants that are smoke free. As of this date, we have completed 8 months of ongoing quit groups (equivalent of 5 total groups). 4 people have quit cigarettes, 1 cut back on cigars, 1 has cut from 1 can of chew per day to one can every 5 days, and 1 has joined this week to quit vaping.

Sarah Hixson requested Trisha and possibly quit group participant Peggy Weber attend a Monday evening Intensive Outpatient Group to assess interest in a Quit Tobacco class. While there we will need to make a plan for the IOP group members who are not interested in quitting. Sarah requests an email with a proposal, including a time frame.

Mr. Shaw reported he has 2 Skyline teachers who are willing to get trained to facilitate Dimensions at Skyline. Trisha and Mr. Shaw will agree on a time for the training before April 16.

The smoke free campaign has promoted these restaurants:

La Cabana

Old Stones

The Patio
