**Agenda Items:**

1. Chair report and approval of minutes
2. Website presentation
3. Alcohol Task Force Report
4. Suicide Task Force Report and review of this month's events and calendar for Suicide Prevention Awareness Month
5. Coordinator Report and thank you's.

**12:10: John Kelly:** Request to approve minutes from July and August Coalition meetings:  
Motion to approve: Carol White. Second to motion: Aaron Preece

**Vote to approve minutes:** YES: Unanimous No: 0

**Chair report:** Important at each meeting to review strategic plans and to keep on task with grant requirements. We are now in the implementation phase of this grant cycle. Eric Canen from our partners at WYSAC will come to the October coalition meeting to review and explain the Sublette Prevention Needs Assessment (PNA), one of our primary data sources. The PNA will inform the measurement and evaluation phases of the work plan and grant cycle. John requested members please make a priority of getting to that 10/10/19 lunch meeting to take advantage of this opportunity to learn from Eric Canen. John reported that we now have active and involved co-chairs for both the Alcohol and Suicide Prevention Task Forces. We are looking for 2 people to co-chair the Tobacco Task Force, and 2 people to co-chair the Opiates and Other Drugs Task Force. Co-chairs are responsible for working with Trisha to draft the meeting agendas, and to chair the meetings (keep meetings on task and on time). It's a good leadership opportunity. Please contact Trisha for more information.

John requested members consider starting the monthly meetings at 12 pm instead of 12 :10, to have more time for the agenda. Members agreed. **10/10/19 full SPC meeting will be 12 pm, (lunch will be available at 11:45 am for folks to visit and settle in).**

**12:15: Deanne Swain, D. Swain Designs:** Review SPC website. Request for logos of all member organizations to use on website, please send logo to Deanne at [hello@deanneswain.com](mailto:hello@deanneswain.com), or [trisha.scott@wyo.gov](mailto:trisha.scott@wyo.gov). Website will be updated weekly. If you have photos or info you want on the blog, or calendar, please email those to Deanne or Trisha. Also we have not agreed on the name for the "resources" or "wellness" tab, please email ideas if you have one.

**12:30: Aaron Preece and Matthew Daniels:** Report from Suicide Prevention Awareness Month and preview of upcoming events (now on the website calendar). Questions about age appropriate content of film, discussion followed about how the decision was made within the coalition to screen the film despite some content that may make some viewers uncomfortable.

**12:40: Marlene Bauman and Robin Carnes:** Report from Alcohol Task Force: TIPS training will resume this fall and classes will be posted on website calendar. Any members can attend this training, or part of a training, you do not have to be a server to attend. There is good health info about alcohol and how it affects the body and brain, in the training. Report on Brewfest. Robin and Marlene reported that the task force will propose a meeting with the mayor and vendors, to review task force and vendor recommendations for town permit.

**12:50: Trisha: Coordinator Report** (please see attached).

**1:09:** Adjourn formal meeting.
