

**MINUTES: 10/6/2020 TOBACCO TASK FORCE**

**12 - 1 PM**

**Public Health Conference Room**

**Co-Chair: Joey Burke**

**Present:**

**Sarah Hixson, Clinic Director, High Country Behavioral Health**

**Melinda Bobo, Coalition Chair, Priest and Rector, St. Andrew's Church**

**Joey Burke, Task Force Co-Chair**

**Peggy Weber, Recovery Community**

**Trisha Scott, Prevention Coordinator**

**Actions agreed on at this meeting:**

Members discussed and agreed that Joey and Trisha will move forward with an October 21 start date for a Big Piney Dimensions Quit Tobacco group. Trisha will reach out to the Marbleton Clinic and Dentist office with marketing materials and to request provider referrals. Sarah H. will work with her contacts in Big Piney who are requesting the group to help pin down location and times.

Members discussed and agreed that since we have Sub1 parent permission for confidential teen quit vaping groups, Trisha will reach out to Sub1 admin, students, health educators and counselors for input on logistics to keep those groups confidential.

Members discussed and agreed it is appropriate for Trisha and Joey to request an October 9 commitment from Skyline for the November classes Principal Shaw proposed, to allow time for scheduling and planning all other class requests. If no commitment from Mr. Shaw by Friday 10/9 we will concentrate on Big Piney and Sub 1 High School requests for groups.

Recruiting businesses for smoke free indoor air campaign will begin November 1.

**Next task force scheduled for Tuesday January 12.**
